Context!

The Larache International Festival of Entreritmos was founded in 2012.

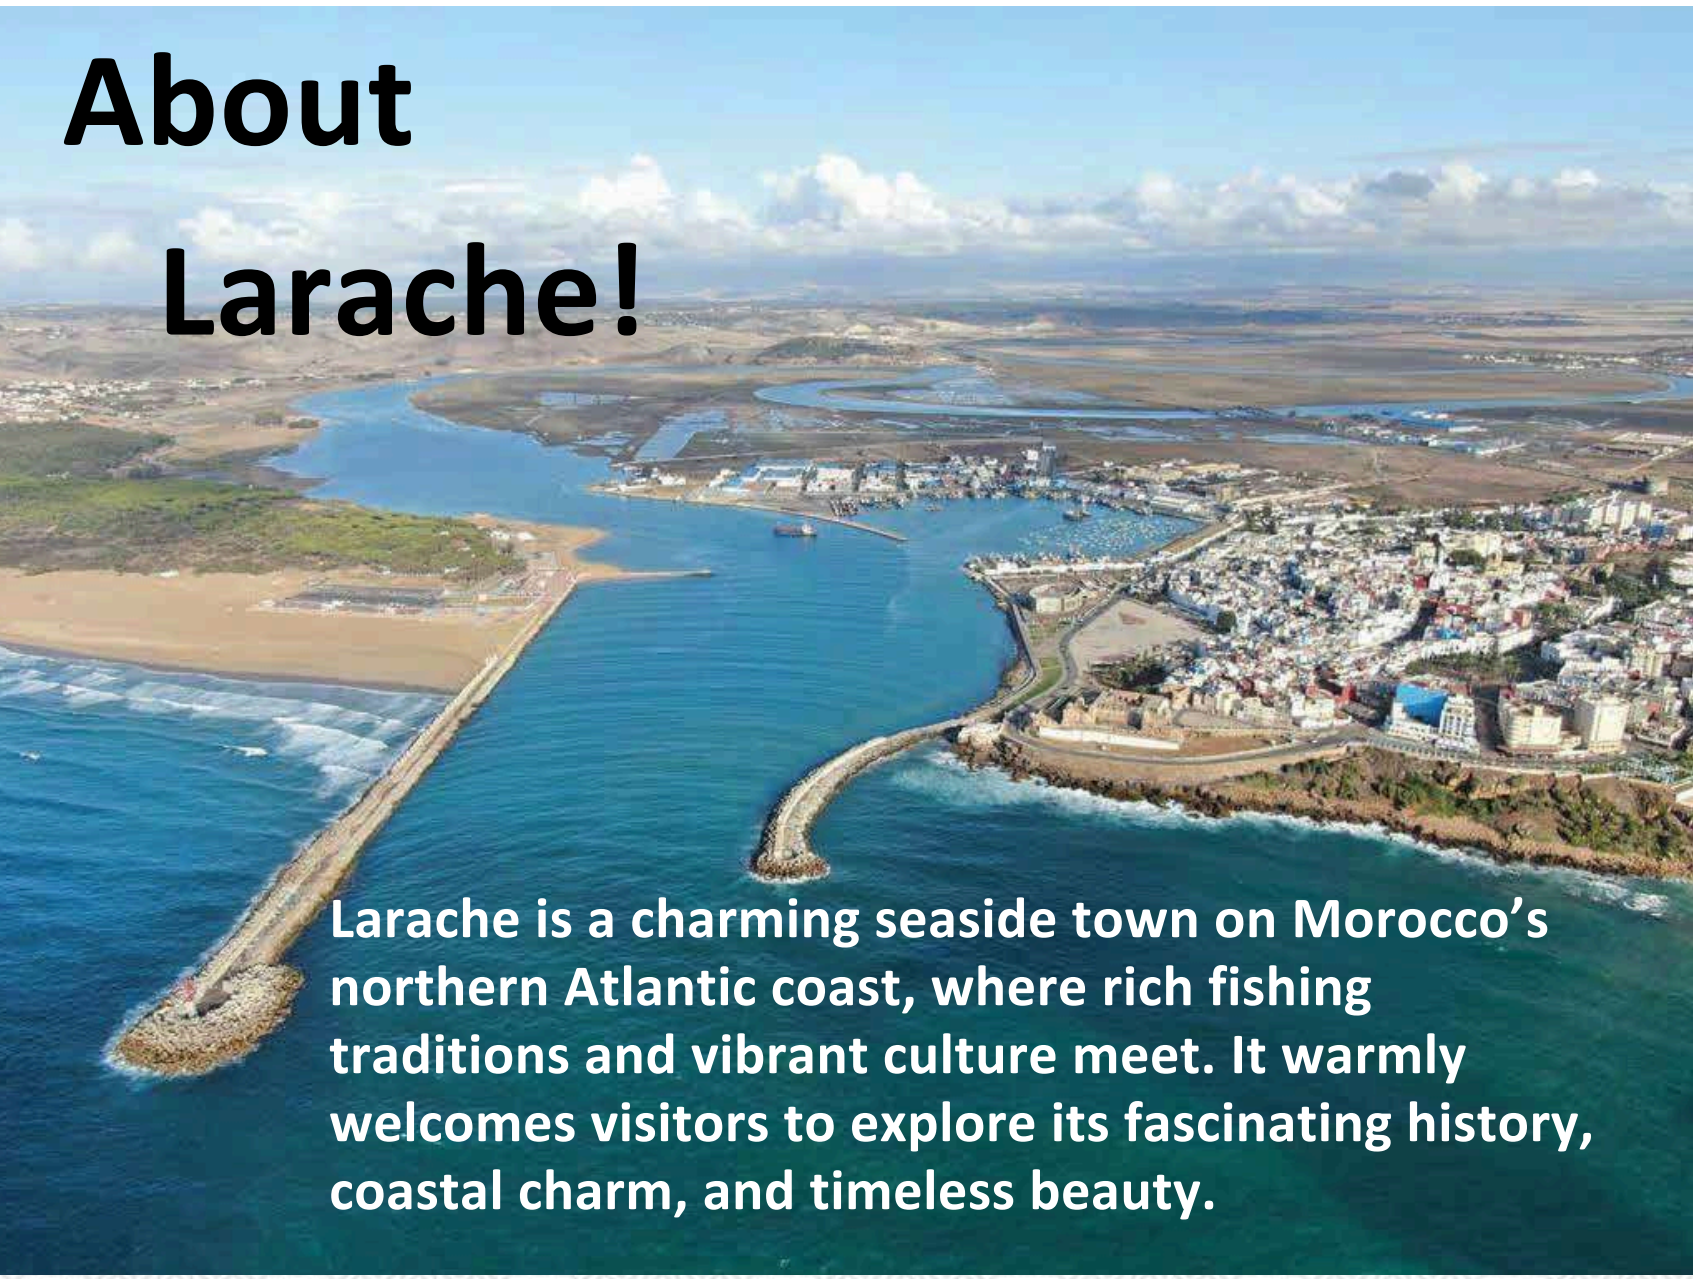

Each year, artists from diverse cultures and countries gather to celebrate the beauty of cultural diversity through the universal languages of music and dance.

From indoor stages to open-air squares, the charming Atlantic town of Larache comes alive with rhythm, color, and connection.

We warmly invite you to join us for the 14th edition — a joyful reunion in Larache!

About Larache!

An aerial photograph of Larache, Morocco, showing a coastal town with a harbor, a long breakwater extending into the Atlantic Ocean, and a river flowing through the landscape. The town is built on a peninsula, and the harbor is filled with boats. The surrounding area is a mix of urban development and natural landscape.

Larache is a charming seaside town on Morocco's northern Atlantic coast, where rich fishing traditions and vibrant culture meet. It warmly welcomes visitors to explore its fascinating history, coastal charm, and timeless beauty.
