# Context!

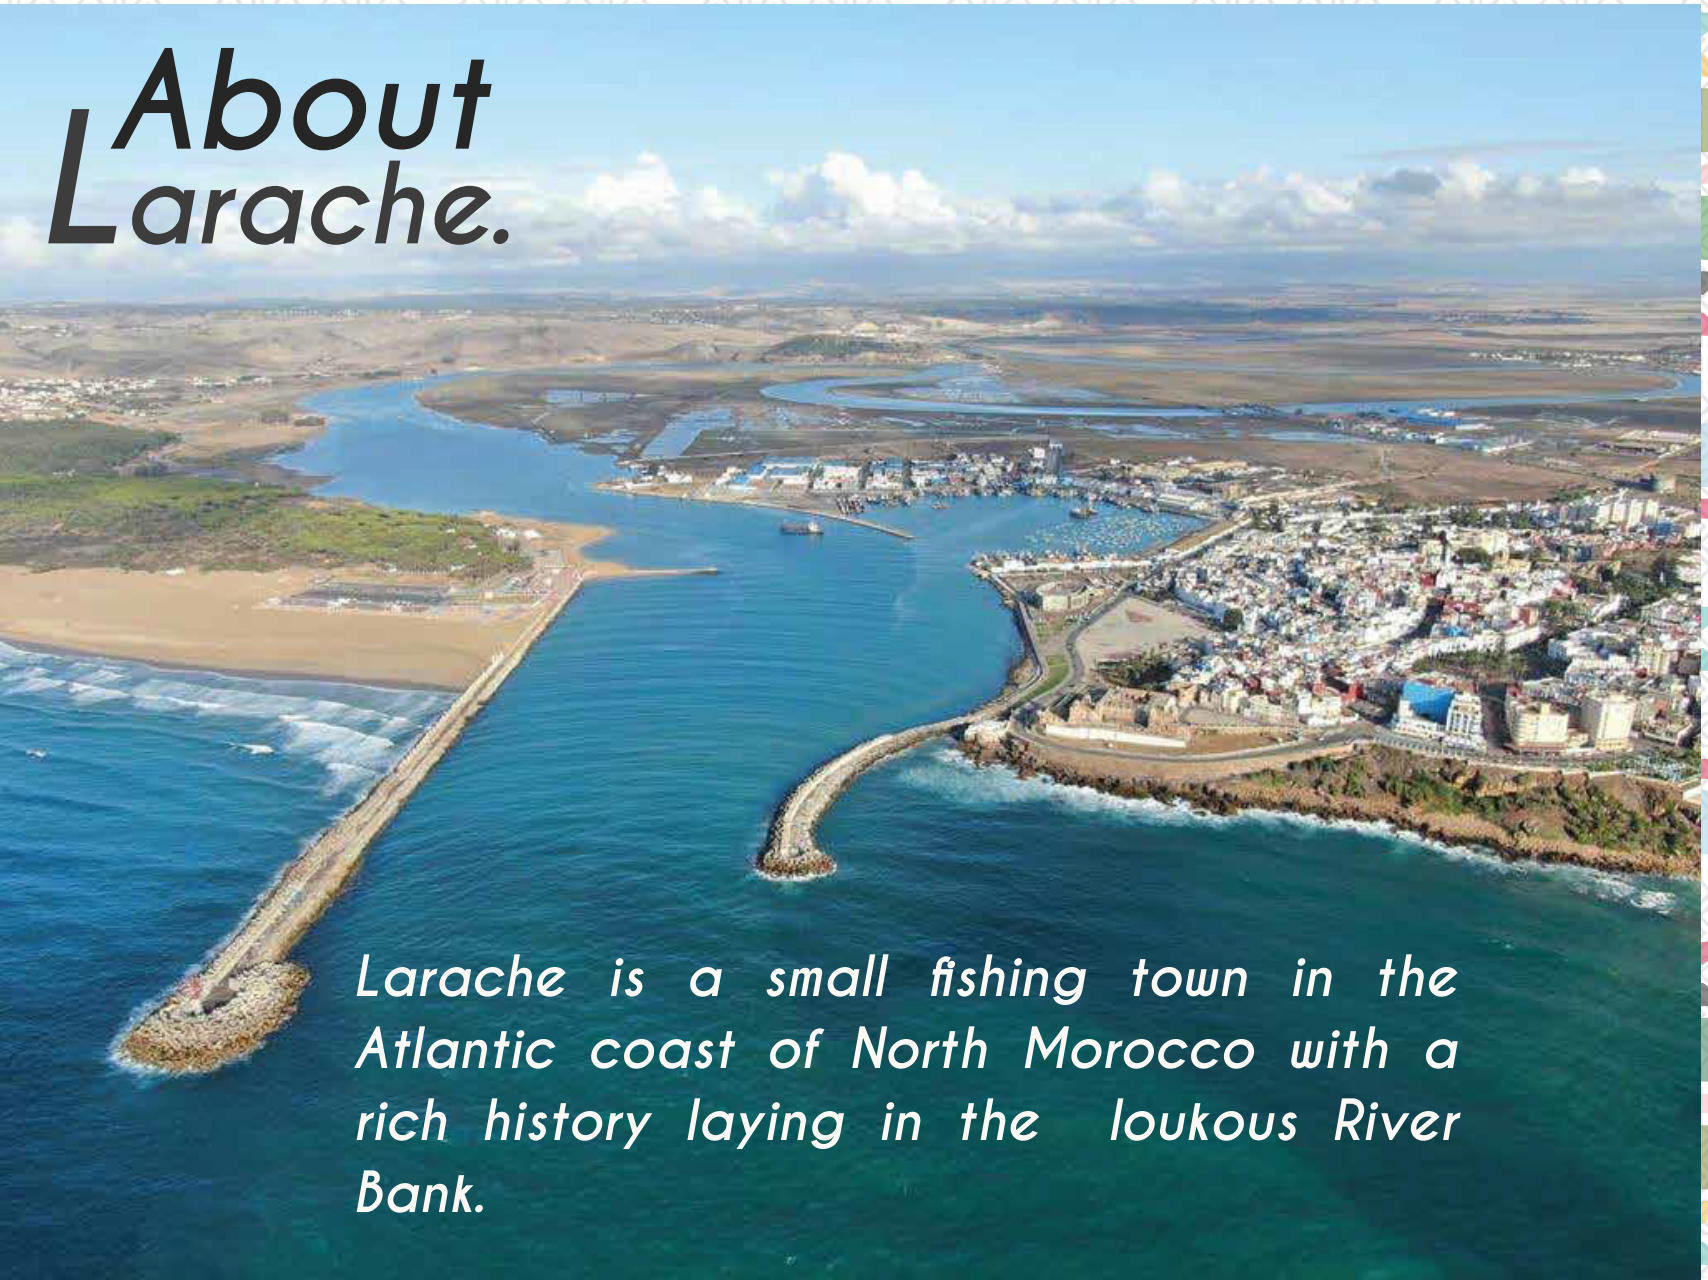

*Larache International Festival of Entreritmos was created in 2012.*

*Each year, artists & folklore ensembles from varying countries take the opportunity to come together to celebrate the beauty of cultural diversity. They share great experiences through music and dance in the historical indoor and outdoor venues and squares of the small Atlantic town of Larache.*

*we welcome you to join us and to be reunited in the 13th edition in the Moroccan city of Larache .*

# About *Larache.*

*Larache is a small fishing town in the Atlantic coast of North Morocco with a rich history laying in the Loukos River Bank.*

# Goals!

*The goals of this 13th edition are:*

- celebrate cultural diversity.*
- enhance the unity of nations through Art, music and Dance.*

# *Transport.*

*once you arrive To  
Moroccan airports or ports .  
The organization will  
arrange transport to your place  
of stay in Larache.*

# Where to stay .....

- Hotel: Rooms of Double and tripple beds.
- Apartments: Furnished for (5-6 members).
- Students residency: Dorms.

# Food.

*we will be serving delicious Moroccan food made by local women in The Medina.*

*( groups will participate in some Moroccan cooking workshops). such as sardinas day and couscous day.*

# Food.

*Each year we celebrate sardinas day, a delicious dish of sardines roasted in the traditional ovens of the historical Medina .*

*- Bocadillos (Lunch box)*

# *Where to perform.*

*We will be performing in historical squares, cultural center, university, lixus Archeological site, and some neighbourhoods, Ksar el-Kebir town , and Tangier.*

# Visits.

*There will be organized visits to Tangier,  
Lixus and ksar el kebir*
